Program Overview and Rules

Participants will be able to complete up to four Levels of our **Build a Better World** Summer Reading Program.

Level 1 - Register for our program and earn three additional badges by reading or attending library events. Children who complete this Level will receive a free book they can pick up at one of our libraries.

Level 2 - Add three more reading or event badges to your total from Level One and receive another free book. Completing Level Two also earns participants an entry into our grand prize raffle.

Levels 3 and 4 (available to ages 6+) - Earn additional badges for logging more than 30 hours of reading and submitting book reviews. Every badge earned for an additional five hours of reading (beyond 30) and a book review gives children extra entries into the grand prize raffle.
