Marshes of Glynn Libraries Closing March 18 - March 31 due to COVID-19 Concerns

The Brunswick Library and St. Simons Island Library will be closing to the public March 18 - March 31 due to COVID-19 concerns. All programs and events scheduled at the libraries will be cancelled through April 11.

Throughout the closure, library staff will be working behind the scenes to clean and disinfect the building and contents as best as possible.

Telephone services will be available Monday - Friday from 9:30 AM to 5 PM, and on Saturday from 9:30 AM to 1 PM. The Brunswick Library can be reached at 912-279-3740, and the St. Simons Island Library at 912-279-3750.

Don't forget, the libraries have a wonderful digital catalog of eBooks, eMagazines, and eAudiobooks all for free that can be checked out with your library card. And be on the lookout for digital programs and reader's advisory services for all ages to be offered through the libraries' website and social media pages.

Book drops at both locations will be open, but we ask patrons to please hold material at home for these two weeks. Due dates will be extended, and any fines accrued during this time frame will be waived.
