Our libraries offer an online tool called Beanstack that children and teens can use to track their reading for our 2021 Summer Reading Program.

1. To create your Beanstack account, go to <http://moglibraries.beanstack.org> to create an account.
2. Choose the **Register an Individual or Family** option.
3. If you are a parent or caregiver, choose **I would like to register a child**.
4. Enter the **Adult Information** – first name, last name, username, and password are required.
5. Enter your **Child's Information** – first name, age, grade level, and school are required. (*Schools are listed alphabetically, including options for Not in School, Homeschool, and Other.*)
6. Click the **Next** button below the form.
7. Register additional children as needed. (It is optional to register yourself.)

After you finish registering or signing in, you will Pre-Register each child for the 2021 Summer Reading Program.

1. Click the **Pre-Register for This Program** button below the program name.
2. Click the **Change Readers** link to choose a different child and pre-register them, if applicable.
3. Repeat the Pre-Register steps for each child as necessary.

Starting June 1, you can track your child's reading and log the amount of books or minutes they have read.

1. To record your child's reading, click the **Log Reading** button.
2. If applicable, click on **Change Readers** to select the correct child.
3. Choose the Log Type – **Activity, Minutes, or Books**.
4. If you choose **Activity**, type the name of the activity, type a description into the dialog box, and click the **Log** button.
5. If you choose **Minutes**, enter the number of minutes, the title and author of the book (optional), and click the **Log** button. (Smartphones cameras can scan the ISBN of the book to automatically enter the title.)
6. If you chose **Books**, select the date that you read, enter the title and author (optional), chose if you would like to leave a review (optional), and click the **Log** button.
